I had forwarded that document to EOPS, specifically, the 2 investigators Bob Irwin and Joseph Mason (one with EOPS, one with AG office)

Hi

I'm talking with the EOPS Chief of Staff re: various IT related issues around the forensic drug lab:

- For now, please do not provide any data queries to forensic lab staff (they've all been put on leave for next couple of days and will be reporting to State Police Lab in Sudbury)
- We're awaiting confirmation on limiting network access for EOPS drug lab staff – I confirmed that we had already done this for Julie.
- I understand that they wanted us to turn over the DPH drug lab info system and data it contains entirely over to EOPS – they're checking in with their IT staff on logistics/next steps
- Finally, request for additional test volume queries by technicians – Linda, I shared the excel spreadsheet that you forwarded to us with the Chief of Staff. Had you forwarded that along to EOPS? Who was the POC there?

Thanks and more to follow once I hear back,  
Monica
